Sen. Toy's bill to aid disabled veterans signed into law

August 25, 2005 – Sen. Laura Toy, R-Livonia, was proud to see legislation she sponsored to make it easier for companies owned by disabled veterans to secure state contracts signed by the governor yesterday. Senate Bill 303, Public Act 91 of 2005, passed both the Michigan Senate and House of Representatives by unanimous votes. The new law sets a goal that not less than 3 percent of total state expenditures for construction, goods and services are awarded to businesses owned by veterans with a service-connected disability.
